Questions

The *honest* answers.

Everything people actually ask before they buy.

hylixe · frequently asked

- Do I need coding or design experience?
- What does the one-time €34 purchase incl…
- How do I find my first clients?
- How is the course delivered?
- Is the Method a subscription?
- Will the content stay up to date?
- Do you offer refunds?

01 / 07

Do I need coding or design experience?

No. The Method starts from zero — if you can follow a video and copy a prompt, you can ship. No tech background required.
